Final Notes	Legendary racer designed by Stephen Jones to be the prototype of the Oyster 41. 'Piper Rising' was campaigned 'Oystercatcher' first, then 'Spartan of Wight'. Rare opportunity to buy a very strong-built and well-equiped yacht with a beautiful history. She has had a 60.000,- pound sterling(!) refit in 1988. In 1990 she was treated for osmosis in a way which makes it as good as impossible to return. In 1995 she got re-powered by a Vetus 38 Hp.
