General Notes	The new X-35 One Design followd the traditions of the X-79 and X-99, as popular large fleet one-design racers. During 2006 the first hundred X-35s were racing around the world. Her hull, keel and rudder gives the helmsman a very light and direct feel of the yacht, she will respond to minor connections. The sail plan, with a powerful main sail and a 106% max jib has the ability to accelerate the X35 out of tacks and keep her in fast lane upwind. The X35, a one design class to ensure racing on a high and equal level.
