Life jackets automatic. Vacuum cleaner. Two sets of sheets and towels for all the beds and baths. Motor HONDA 4 times for Zodiac. E.P.I.R.B.

DESIGN	
Builder	Gemini Yachts Srl.
Designer	Sparkman & Stephens.

DIMENSIONS	
Loa	16.00 m
Lwl	14.10 m
Beam	4.55 m
Draft	2.60 m
Ballast	6.500 kg
Displacement	15.400 kg

ENGINES	
Engines	Yanmar 125 C.V.
Notes	<p>Motor YANMAR 4JH-3DTE 125 cv. with battery of 100 Amp/h and 12 volts.</p> <p>Inversors hydraulics stainless steel shaft 17/4PH.</p> <p>Propeller MAX-PROP three folding shovels and 60 cm, with two-speed system.</p> <p>Bow folding propeller MAX POWER 140kgs F. with cockpit control.</p> <p>Generator FISCHER-PANDA (PMS-6000) with battery of 70 Amp / h and 12 volts.</p> <p>Diesel fuel tank made of stainless steel with level indicators and cover cleanup, with all kinds of filters and valves and 340 liters capacity.</p> <p>Cooling Engine.</p>

TANKAGE	
Fuel	330 litres l
Water	800 litres l

TANKAGE

Notes	
	<p>Salt water: Water filters and box distribution in stainless steel for the following uses: Cooling Engine. Cooling of the generator. Water treatment tapping point. Tapping point to pump salt water to clean the deck, anchor and chain.</p> <p>Fresh water: Two structural tanks of composite with 800 liters capacity, with level indicators and keys and lock for each. Desalinization-Water treatment SPECTRA 70 liters / h. automatic control at the card table. Pump pressure GIANNESCHI & RAMACCIOTTI with 25 liters. Hot water heater 40-liter engine 220v. throughout the boat, including the cockpit shower. Pipes lined with keys and cut for each zone. Taps mixers FANTINI in all services. GROHE showers.</p> <p>Sewage: Two electrical WC TECMA with three-way valves and discharge directly to the sea or deposit. Fuel stainless steel bomb, with deck discharge or sea discharge and control level indicator on the card table.</p> <p>Waste water: Structural tank that collects toilets, showers, refrigerators and air conditioning with automatic or manual pump and discharge to the sea.</p> <p>Bilge: (-painted anti-moho gray). Division four bilge (bow and stern watertight) with four electric pumps with automatic or manual activation and audible alarm and visual presence of water.</p>

INSTRUMENTS

Electronics	B&G HYDRA 2.000 con 4 jumbos 20/20 in mast, 2 jumbos multifunction in card table and cockpit with lo
Vhf	Remote station V.H.F. FURUNO.
Automatic Pilot	Autopilot B & G connected to the central navigation, hydraulic system and repeater functions in cock
Compass	Two compasses SUNTO.
Radar	Radar and card reader FURUNO with satellite G.P.S. and navigation software.

INSTRUMENTS

Notes	<p>Control table with bow propeller inverter, cockpit lights, courtesy lights, boom and bimini lights, windlass and genoa furler from cockpit.</p> <p>Control table of the engine.</p> <p>SONY Computer screen fitted in card table.</p> <p>Program MAX-SEA navigation.</p> <p>Internet connection.</p> <p>Central navigation connection.</p> <p>GPS connection.</p> <p>Double station V.H.F. FURUNO in card table and cockpit.</p> <p>Satellite telephone MINI-M with global cover and small external antenna.</p> <p>Card reader and GPS cockpit GEO-NAV, with separate antenna.</p> <p>Multifunction antenna at top of mast for V.H.F., radio and G.S.M. notebook computer.</p>
