GENERAL	
Name	MaxFun 35
Model	35
Type	CRUISER-RACER
Year	2003
Hull Material	GRP
Flag	Dutch
Color	Signing on the hull is self adhesive material and easy to remove
Lying	North Holland the Netherlands
Price	PRICE UNDER REQUEST
Vat	NOT PAID
Slogan	.
General Notes	<p>This very popular one design class is famous because of her speed, easy handling and stunning looks.</p> <p>This winner is one of the best equipped Max Funn 35's around and in more than perfect condition and she has been professionally maintained by Roy Heiner</p> <p>The owner is designer of the ABN AMRO project (winner of the Volvo Ocean Race)</p>

DESIGN	
Designer	Maarten Voogd

DIMENSIONS	
Loa	11.00 m
Lwl	9.43 m
Beam	3.25 m
Draft	2.2 m
Displacement	3000 kg

GALLEY

Notes	The galley consists of a sink and three burner stove integrated in a one piece base. This whole unit is gimbaled.
--------------	---

INSTRUMENTS

Electronics	Full race equipment
Notes	Race computer with portable touch screen B & G Hydra 2000 system

SPARS & RIGGING

Sails	2 mainsails 4 jibs 2 gennakers
Rigging	Fractional rig, no backstays
Mast	Hallspar Carbon mast

DECK

Notes	The deckplan shows a generous cockpit with a clean deck lay-out. Four winches in total with ratchet blocks on the gennaker sheet and a fine trim on the mainsheet is enough to keep the sails under control. The jib furling line and bowsprit control line are fed back under deck All controls are led back to the cockpit over the coachroof. For touring purposes a locker can be installed at the transom to create extra locker space and close off the transom.
--------------	---

CONSTRUCTION

Keel	new high performance keel
-------------	---------------------------

CONSTRUCTION	
Notes	<p>For the building of the boat conventional building materials are used as much as possible.</p> <p>For the hullshell a thick foamcore has been used for panel stiffness. The internal frame is completely built out of glass/ carbon fibre and glued into place. The steel keelfin slots into a recess in the hull and with the keelbolts as well as with the mainchainplate bolts also a mechanical fastening is achieved between hull shell and interior liner.</p> <p>The boat consists basically out of four pieces. Hull, deck, interiorliner and a ceiling liner. Built: 04-2003</p>

ACCOMODATIONS	
Berths Number	6
Bath Shower	Yes
Notes	<p>While the aim was to create a fast yacht the designer did not want the MaxFun to be an empty boat inside. The internal frame is visible throughout the boat but by making the moulding in a dark colour and with a spickle coating it already will look vastly different from what we are used to. The hull sides are finished off in alcantara look alike lightweight panels and with removable leather seats and wooden floor panels the boat has a warm feeling inside. On starboard side is the nav. table with space for a notebook and electronics. The interior can in total accommodate six persons. Two aluminium pipecots can be installed in the bow</p>

EXTRA NOTES	
Extra Notes	sailing gear Musto 10 x
