Core material is 15-20 mm compressed Divinycell.</p> <p>Bottom treatment: Mat-sanding, 3 x epoxy/2 x antifouling.</p>
--------------	---

ACCOMODATIONS	
Bath Shower	Yes
Notes	<p>The yacht's wooden interior is made of mahogany in a hand polished satin finish. All carpentry is carried out in accordance with best yacht practice.</p> <p>Forward cabin The cabin has a hinged berth (200x170/65 wide) with easy access to the three compartments below. For cloth, the modern design incorporates a double wardrobe with shelves and hangers (90x55 cm deep). Natural light from the skylight is employed to compliment the polished mahogany woodwork, achieving a warm and cosy atmosphere, also during daylight.</p> <p>Aft berths Under the cockpit floor, the aft sleeping berths are separated into two sections via a centre wooden longitudinal bulkhead. Two berths are 200 x 130 cm wide tapered towards the aft end.</p> <p>Heads The head has a water-flushed pump toilet and white gel coat units with integrated sink with mixer tap.</p> <p>Engine compartment Situated below the companionway with excellent access and sound insulation with special foam material.</p> <p>Saloon On each side of the rectangular shaped, foldable table (110x100 cm) are two large sofas (190 cm long). The table also has a built-in locker.</p> <p>Navigation area To starboard of the companionway, the navigation table is situated together with the top opening 100 l GRP cooling box. Navigation and communication equipment as well as the yacht's switchboard are fitted in this area. Under the hinged navigation table (50x60 cm deep) and in the alongside locker, charts and navigation equipment can be stored.</p> <p>Galley To port of the companionway is the galley with a rectangular sink with a tap integrated in laminated tabletops and a s/s gimbaled gas stove with 2 jets and an oven. A 2 kg gas bottle is stored in a separate self-draining locker. Shelves and lockers with plexi-glass sliding doors give sufficient storage space for food, plates, cutlery, pans, cups and glasses.</p> <p>Cushions Cushions are made of high quality 40 kg/m³ foam covered with the upholstery ARON BLUE 510.</p>
