General Notes	Ready to race!
Final Notes	Boat is in general better shape then it was when we picked up. All the hardware has been clean, checked during season. Few blocks in the inside purchase systems has been changed to be efficient racing wise.
	Reinforce has been laminate on the main tracks to avoid damage (already started) in correspondence of the battens.
	Bow sprit has been installed correctly and under rules (it was not when we had the boat).
	Stay sail and external jib sheets padeye replaced in proper position. Spi sheets jammers reinstalled in existing position.
	A lot of work has been done (electrician, mechanical and lamination where carbon corroded) to solve the electrical problem. New front nav lights installed.
	Engine has been checked by Yanmar in the middle of the season as nedeed. Container has been clean and floor painted.

DIMENSIONS	
Loa	16.00 m
Beam	4.39 m
Draft	3.2 m
Displacement	7.51 kg
