| <b>Slogan</b>        | Ultimate Racing Machine  |
| <b>General Notes</b> | <p>From the J design/build team that launched the J/70 and J/111, comes the NEW J/88, a 29' mid-size family speedster with stability, style and sailing comfort. J/88 hits the sweet-spot in J Boat's performance sprit range – large enough to provide the creature comforts of a sit-in cockpit, inboard diesel, overnighting interior and head; and small enough to be single-point lifted, owner trailered and stored.</p> <p>If sailing is having your cake and eating it too, then the J/88 is like ordering the whole dessert menu. Design highlights include a high-aspect, non-overlapping sail plan (no genoas) with a carbon fiber, double-spreader mast - deck stepped for easy rigging, tuning and keeping the main cabin dry.</p> <p>The 6.5 ft fixed, low VCG keel with molded GRP finish is similar to the J/70's, ensuring a fair, smooth foil for every boat. The result is a ride that's every bit as exciting as the J/88's speedster siblings - fast and balanced upwind with planing performance downwind in moderate to fresh breezes.</p> <p>Since J/88's successful launch in July 2013, it's clear she hits the "sweet spot" in the 28-32 ft sailing category. J/88 has met with critical acclaim in the boating press, awarded the "Best Boat Under 30 Ft" in the 2014 SAILING WORLD Boat of the Year competition as well as receiving high marks from the SAIL Magazine Review team. With 75+ boats ordered to date, J/88 is well on its way to making its mark in both offshore racing as well as local one-design racing fleets.</p> |
