General Notes	<p>BONADEA is a traditional Jongert Ketch with an ingenious layout that offers plenty of living space. She has a beautifully crafted mahogany interior that provides a unique atmosphere which is found only on board a classic Jongert.</p> <p>The large and cozy deckhouse with a fantastic 360° view is the focal point of the yacht. With seating on port and starboard side it invites one to sit and enjoy in perfect comfort. Aft is the protected outside cockpit seating area that can be fully enclosed if wanted.</p> <p>The light main saloon, situated amidships, provides comfortable seating for eight to ten guests. Forward of the main saloon is the large crew accommodation area and the professionally equipped galley that enables the crew to provide unobtrusive service and first class menus. Adjacent of the galley is the engine room entrance and this not disturbing guests/owners whilst entering or leaving.</p> <p>Two beautifully appointed guest cabins aft feature wide single berths with one and private bathrooms with separate heads and showers. One cabin holds two additional Pullman berths. The large and luxurious owner's cabin in the stern has a uniquely Jongert ambience.</p> <p>Most important, her current owner and crew have carried out all maintenance and repair works necessary to improve and upgrade her general condition into a general that can hardly be found on such a classic Jongert sailing yacht.</p>
