General Notes	
	2024 New rigging and ultrasonic mast overhaul, as further improvement to QQ7 racing performances.
	2024: QQ7 regatta season, racing as its first race in early May, "La200", with
	a course Caorle-Grado-Sansego (CR)-Caorle, obtaining first place in Class 0-A and 4th place overall.
	In addition, with departure May 26th and arrival Friday, May 31st , QQ7
	participated in the prestigious international regatta "La500", with route Caorle Sansego(CR)-Tremiti Islands-Sansego-Caorle, coming first overall Line Honours and obtaining first place in Class 0-A and 4th place overall.
	2023 WINNER - 2023 First in the Italian offshore championship in crew and
	first in class A. In addition to the victory at regatta Barcolana 55 in class A
	and at regatta Veleziana 2023 in class A, "QQ7" boat has proven, as a result of the many modifications, to be a winning boat both in ORC competitions in
	compensated and in real in class A.
	- PRIZE 36TH EDITION OF THE COPA DEL REY MAPFRE.
	Boat always collected multi-victories during the years and, on 2017, it won the first prize at XIV edition of "Regatta of Cetaceans", it was ranked first in the category IRC Corynthian at the prestigious Copa del Rey in Palma de Mallord and lastly, at Tour de Corse, got the third place of ORC category and fifth in real time.
	During recent IRC European Championship in Sanremo, we succeeded in
	getting an excellent 2° place in corrected time on race 06, as well as a 5° place and a 6° place about one minute later than boat at 3° place.
	Apart from that, there are 9 Olympic Sails racing sails, all manufactured
	during the last 12 months (practically new) as well as a further 16 spare-sails including 5 spinnakers.
	COMPLETE refurbishment and new design made by the COSSUTTI architect
	During 2022 and early 2023 major refitting and improvements were made to both the boat's bulb and hull, as well as to the set of newly purchased sails
	and, furthermore and not least, the on-board electronics.

Notes	Built in USA by the Goetz shipyard in 2003 with no budget's limit.
	The boat, seen from its inside, generates so much emotion such it was so well built, by enhancing the special manufacturing of the hull in kevlar.
	Complete and careful re-fit made during 2016/2017, the whole boat has been re- checked and all possible worn parts have been replaced piece by piece.
	Tailor-made boat's cradle is property of the boat itself.
