General Notes	One of the two Frers 44 built by Composite Works. AQUARELLE 1 is ideal for racing, match racing; day sailing or light cruising. She is a very nice design built in composite materials which ensure very good performance in all weather conditions. The deck layout, conceived to be functional in all aspects can be converted from race to cruise mode, as can the interior and the rig layout of modern design. In the cockpit there are 8 Harken self-tailing winches which can be used manually for racing or electrically for cruising. The rigging is controlled by manual hydraulic systems. Also included are a custom transport cradle and a 20ft storage container for cruising gear and spare equipment.
Final Notes	MOORING: Anchor, Bow Roller Carbon removable, Chain 5 m + 40 m mooring line, Mooring Capstan.
