DESIGN	
<b>Builder</b>	Najadvarvet
<b>Designer</b>	Najadvarvet

DESIGN	
Notes	<p>The Najad brand stands for quality, robust design, craftsmanship and comfort. The yachts are true bluewater cruisers with an unprecedented attention to details, safety, and user friendliness. Everything from the design process to the naval architect work of the yachts are carefully thought through. The yachts are easy to keep in the best condition due to the very high build standard. If you are looking for the best overall yacht in the 40 to 60 feet range then Najad is the obvious choice for you.</p> <p>Since 1971 Najad has made dreams come true creating yachts that combine excellent sailing with timeless design and a strong sense of craftsmanship. With over 2,000 yachts successfully launched to date, Najad has become one of sailing's most acclaimed brand names.</p> <p>The interior layout at the is practical at the sea as well as comfortable in the harbor.</p> <p>To achieve this, Najad have utilized the space to provide ample storage and a safe working environment which well suit both long distance and weekend sailors.</p> <p>The style and finish of the mahogany interior is very special and gives the boat a natural feeling of quality.</p>
