Location	BARCELONA	Engine	YANMAR 4JH110
Price	At Request	Accommodation	7 Berth, 3 Cabin

BROKER'S COMMENT: performance cruiser that combines speed, elegance, and reliability for unforgettable sailing adventures

DESCRIPTION:

HANSE 531E -015 "WHITE NIGHT," a 2004 performance cruiser that combines speed, elegance, and reliability for unforgettable sailing adventures. Extensively equipped and impeccably maintained, "WHITE NIGHT" stands out as one of the most beautiful Hanse 531 yachts in existence today. With only seven summers of sailing behind her, mostly in the unsalted waters of the Baltic Sea, and the rest of the time under the expert care of Sailinvest boatyard in Estonia, this yacht is in pristine condition. Currently based in Barcelona, Spain. She has had only three owners since new, each of whom has cared for her with meticulous attention to detail. Recently, "WHITE NIGHT" has been fully outfitted for ocean sailing with all-new electronics, engine, rigging and sails upgraded between 2019 and 2023. She is not only prepared for globe-trotting adventures but also a proven performer on the water, having won this year's ARC Atlantic crossing. This remarkable achievement showcases her capabilities as a fast and reliable cruiser. "WHITE NIGHT" is more than just a yacht; she is a blend of elegance, speed, and comfort. Her sleek Judel /Vrolijk design, spacious layout, and high-performance capabilities make her an ideal choice for those seeking both adventure and luxury on the open seas. If you are looking for a yacht that is ready to take you across oceans with style and ease, while also being a standout in any marina, the WHITE NIGHT is your vessel. Don't miss this extraordinary opportunity to own a yacht that embodies the perfect balance of performance and sophistication. Contact us today to learn more about how you can make "WHITE NIGHT" your own and start your next great adventure.

DESIGN
